Or the leaves that sigh and tremble, To the sweet wind of the west, Or the rippling of the river. Or the sunbeam on its breast,

I'll count the thoughts I give thee, My heautiful, my blest !

Row many joys I owe thee! Come sit where seas ran bigo. And count the heaving billows, That break on the sheres and die Or the grains of sand they fondle,

Or the pearls in deep sea cavorus, Or the stars in the milky zone, And I'll count the joys I owe thee, My beautiful, my own !

And how much love I preffer! Come scoop the ocean dry, Or weigh in thy tiny balance The star-ships of the sky; Or twine around thy fingers,

The sunlight streaming wide, Or fold it in thy bosom, While the world is dark beside; And I'll tell how much I love thee, My beautiful, my bride !

OVERTASKING YOUNG HORSES. Many horses are no doubt spoiled by driving while young. Farmers generally are in altogether too much of a hurry to find out what kind of an animal they have got for speed, and so they are "put through" at every convenient opportunity, and by the time they are old enough for ordinary using, many are broken down hulks. A TURKISH RICE PUDDING .- Pick and wash half a pound of rice, prepare also half a pound of currants, which must be carefully picked clean, washed through two waters, drained well and then spread them to dry in a flat dish before the fire, put the rice into a sauce pan with a quart of rich milk, then add 4 ounces of broken up loaf sugar on which the rind of a large lemon has been rubbed. Having dredged the carrants with flour stir them a few at a time into the rice and milk, stir in also 2 ounces of fresh butter divided into bits, when the rice is all swollen and quite soft take it from the fire and mix FULL GILT BUFF, with it gradually a well beaten egg, transfer it to a deep china dish and put it into the oven for half an hour, then sift pounded sugar thickly over the top and brown it with a red hot shovel, or salamander, serve up warm. This pudding may be made of ground rice or rice flour.

MINCE PUDDING .- Take 1 1-2 lbs a pound of flour, beat 6 eggs very light and stir with them alternately the mince-ment and the flour, a little at a time of each, have ready a pudding Downgiac, October 11th, 1880.

In short, through the assistance of some superior power, she is endowed with the healing art. Mad. Hollard is a physician indeed! She cures the following complaints in their most obstinate stages, viz: Diseases of the Throat, Lungs, Heart, Liver, Stomach, Dropsy in the Chest, Rheumatism, Neuralgia, Fits or Falling Sickness, and all other Nervous Derangements. During her travels she has been the instrument, in God's hands, of restoring to health and vigor, thousands who were on the verge of the grave, and who are now living monuments of her skill and successful treatment, and are daily exclaiming. "Blessed be the day when first we saw and partook of Mad. Hollard's unrivaled medicines."

Satisfactory references will be cheerfully given when required. M. H. will pledge her reputation and stake her all, to make permanent cures in all cases she undertakes.

Her mode of examination is with the clairvoyant's eye, or second sight. She therefore, asks no questions, nor does she require invalids to explain symptoms, telling their cause and location with so much satisfaction as to merit and receive the confidence of all who have consulted her.

READ THE EVIDENCE. From J. Newton Brown, D. D., Editor of t Encyclopedia of Religious Knowledge. Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple proparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shomaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning

The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and reatoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

CATHARTIC PILLS. Are you sick, feeble, and complaining? Are you cout of carlest, with your system denanged, and your feelings uncomfortable? These tyampones are often the prainte to trious illness. Some fit of kiness is creeping usen you serious illness. Some nt or sickness is creeping upon you, and should be averted by a timely use of the right remedy. the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the dorangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep seated and dangerous distempers. The same purgative effect expels then. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Prova a Persarding Merchant of St. Louis, Ptb. 4, 1850.

Dz. Avez: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grisvously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, also also tried your Pills, and they have cured her. *

ASA MORGRIDGE.

As a Family Physic. Prom P. E. W. Curleright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Hendache, Foul Stomach.

From Dr. Edward Boyd, Ballinere.

Dran Rno. Ayen: I caunot answer you what complaints
I have cured with your Fills better than to say all that we

disease, and believing as I do that your Fills afford us the
best we have, I of course value them highly.

Dr. J. C. Aren. Sir: I have been repeatedly cured of the worst hembroke any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleans at once.

Billious Disorders — Liver Complaints.

From Dr. Theodere Bell, of New Fork City.

Not only are your Pills admirably adapted to their purpose as an aperiont, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Sin: I have used your Pills in my goneral and hospital practice ever since you made them, and cannot hesitate to say they are the best eathertie we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derauguments of that organ. Indeed, I have seldem found a case of billous disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterntive effect upon the liver makes them an excellent remedy, when given in small doses for biliour dysentery and diarrhose. Their sugar-coating makes them very acceptable and convenient for the use of women and children. Dyspepsia, Impurity of the Blood.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Cunada.

Too much cannot be said of your Fills for the cure of costiceness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe conficences to originate in the liver, but your Fills affect that organ and cure the disease.

From Mrs. E. Stuort, Physician and Midwife, Buton.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the unitral secretion when wholly or partially suppressed, and also very effectual to closufe the atomack and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church. From the Rev. Dr. Hinskes, of the Methodist Epiz. Church.

PULLER HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exerciating neurologic pains, which ended in clevenic rheumatime. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackennie, I tried your Pills. Their effects were slow, but sure. By perswering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.

Dr. Afer: I have been entirely cured, by your Pills, of
